

EXPO 26

A background architectural drawing in grey lines, featuring a complex arrangement of rectangular and polygonal shapes. Overlaid on this are several red lines and arrows that trace a path through the drawing, starting from the top left, moving towards the center, and then following a series of downward and rightward paths towards the bottom right. Some arrows point to specific areas within the drawing.

15.09.2026 - 21.10.2026
