ULB Faculté d'Architecture

La Cambre Horta

Place Flagey 19 – 1050 Bruxelles

These two lectures aim to provide an overview of the modernization of Brazilian cities and the establishment of modern urbanism, covering the period from the early 20th century to the inauguration of Brasília (1960).

International chair :

Dr Fernando Diniz Moreira

Federal University of Pernambuco (UFPE)

Les deux conférences seront données dans le cadre du cours d'urbanisme du bachelier en architecture.
